Subject: Drafting Requests

Hello, Marc –

Rep. Kerkman has two drafting requests, both for amendments.

1. **Substitute Amendment to AB 260 (I think I may have already requested this one, but can't find it in email)**

The substitute amendment would eliminate section 59.69 (3) (b) from the statutes.

2. **Amendment to AB 242**

The amendment would combine the checkoffs for breast cancer research and prostate cancer research to become a single checkoff for cancer research.

The amendment to AB 242 is fairly urgent; we'd like it to be ready for an exec session on October 6th.

Thank you,

Tami Rongstad

2011 ASSEMBLY BILL 260

SOON

September 15, 2011 - Introduced by Representatives KERKMAN, BROOKS, JACQUE, KESTELL, LEMAHIEU and STROEBEL, cosponsored by Senators MOULTON and HOLPERIN. Referred to Committee on Ways and Means.

- 1 AN ACT to amend 59.69 (3) (b) of the statutes; relating to: changing the
2 elements that must be included in a county development plan. ✓

Analysis by the Legislative Reference Bureau

Under current law, a county may create a county zoning agency, which is a policy-making body in the county that determines the broad outlines and principles governing the county's administrative zoning powers. ✓ The county agency may direct the preparation of a county development plan. Currently, if a county creates a development plan, the plan must include a master plan adopted by a city or village. If one exists, it must also include, without changes, the city's or village's official map. *

Under this bill, the inclusion of a city's or village's master plan in a county development plan ~~is required~~ also eliminates the requirement that any official map be included without changes. and repairs

* must be included

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 Fix component

SECTION 1. 59.69 (3) (b) of the statutes is amended to read:

- 4 59.69 (3) (b) The development plan shall may include the master plan, if any,
5 of any city or village, that was adopted under s. 62.23 (2) or (3) and the official map.

substitute amendment repeals the requirement that

ASSEMBLY BILL 260

SECTION 1

1 if any, of such city or village, that was adopted under s. 62.23 (6) in the county,

2 ~~without change.~~
